Is your 2016 risk management plan adequate for 2017? Protection for crops not listed above may be available from a crop insurance agent by written agreement. NAP, Noninsured Crop Disaster Program, provides financial assistance for noninsurable crops. For NAP, contact your local county FSA USDA office. Additional information is also available at: www.ctfarmrisk.uconn.edu and to find a RMA Insurance Agent go to <http://www.rma.usda.gov/tools/agent.html>

This information is part of the Connecticut Crop Insurance Education and Information Project, a cooperative effort of the USDA Risk Management Agency, UConn Extension, and the Connecticut Department of Agriculture.

These organizations are affirmative action/equal employment opportunity employers and program providers.
